Documents to be Submitted

Please send the following:

1. ☐ **Address and Instructions** (2 pages - this page and subsequent page) completed with mailing address and daytime telephone number.
2. ☐ **Payment Form** for Change of Sex Designation on a Birth Registration completed which includes the fees for the amendment to the birth registration and the cost for any requested amended birth certificates.
3. ☐ **Statutory Declaration** for a Change of Sex Designation on a Birth Registration of a Child, in the required form, completed by a person with legal custody, for a child that must be born in Ontario and is 17 years of age or under, and signed before a commissioner for taking affidavits (e.g., lawyer, notary public, member of provincial parliament).
4. ☐ **Consent** of this amendment from the child **and** from all other persons with legal custody of the child if the applicant shares custody with others. If more than one person is providing consent, photocopy the blank consent form for each person to complete.
 - submit **all original signed consent form(s)**, completed by the child **and** any other person(s) with legal custody who are not the applicant.
5. ☐ **Notice** of this amendment must be provided to any person lawfully entitled to access to the child at least 30 days before submitting the application. In Ontario, non-custodial parents automatically have access unless a court order or separation agreement specifically states he/she cannot have access. You do not need to send this form to anyone who will get the consent form in item 4 above. If more than one person requires notice, photocopy the blank notice form and provide a separate notice form along with a copy of the completed Application for a Change of Sex Designation on a Birth Registration of a Child and a copy of the completed Statutory Declaration for a Change of Sex Designation on a Birth Registration of a Child to each person being notified of the change of sex designation. Send by registered or certified mail to the last known address of the person entitled to notice.

Submit:

 - **all original signed notice form(s)**, completed by every person who is lawfully entitled to access to the child

Or

 - **all original registered or certified mail receipt(s)** that includes the date stamped by the postal outlet and the full name and mailing address of the person receiving notice.
6. ☐ **A letter** (on the health practitioner's letterhead) signed by a practising physician or a psychologist (including a psychological associate) authorized to practise in Canada, stating that he/she:
 - a) is a practising member in good standing of the appropriate regulatory body (e.g., College of Physicians and Surgeons of Ontario, College of Psychologists of Ontario) and licence number;
 - b) has treated or evaluated the child (identified by full name) who is requesting the change in sex designation (specify the change in sex designation);
 - c) confirms that the child's gender identity does not accord with the sex designation on the child's birth registration; and
 - d) is of the opinion that the change of sex designation on the birth registration is appropriate.
7. ☐ **Court orders** (original or court certified copies) or **separation agreements** that include information about custody status, access to the child and/or provisions regarding the sex designation of the child.
8. ☐ All previously issued **birth certificates and certified copies of the birth registration**.
9. ☐ A completed **birth certificate application form**.

Alternative Evidence

In lieu of item 6 above, any one of the following documents may be submitted and will be reviewed on a case by case basis:

- I. A document or certificate issued by a jurisdiction in which the child was domiciled or ordinarily resident that, in the opinion of the Registrar General, confirms that the child's gender identity does not accord with the sex designation on the child's birth registration and it is appropriate that the sex designation be changed; or
- II. If the child is not domiciled or ordinarily resident in Canada, such medical evidence that, in the opinion of the Registrar General, confirms that the child's gender identity does not accord with the sex designation on the child's birth registration and it is appropriate that the sex designation be changed; or
- III. A certificate signed by a practising physician authorized to practise in Canada, that complies with the current requirements of s. 36(2) (a) or (b) of the *Vital Statistics Act*.

Resources for Physicians and Psychologists

The Registrar General relies on health practitioners to exercise their own judgment in accordance with their own experience, expertise and contact with the applicant to determine whether a request to change the sex designation on the child's birth registration is appropriate. For additional resources, health practitioners may consult the Centre for Addiction and Mental Health (CAMH) at www.camh.net and refer to the guidelines established by the World Professional Association for Transgender Health (WPATH), Standards of Care at www.wpath.org.
